

LOCAL AND OTHERWISE.

Are half the candidates heard from yet?
Fruit is quite plentiful in the market.

A few days more of this weather will
bring frost.

Candidates cards printed in the finest
style at the Record office.

Miss Evans, teacher in the primary de-
partment, arrived on Monday morning
stage.

The Democratic primaries will be held
this evening. Polls will be open at six
o'clock.

A nominating petition for C. H. Patchen
for State Senator was circulated about town
on Monday.

Dr. Campbell was called again to Spring
valley on Tuesday to attend Mrs. Jos.
Comerhill.

The personal property of the Lawson es-
tate will be sold at the old butcher shop
on Main St. on the 15th inst.

A petition in behalf of Herman Hartung,
present incumbent of the office, was cir-
culated on Monday for the office of Justice
of the Peace here.

The meeting of the Commissioners was ad-
journing from Monday to Tuesday, owing to
the absence of Messrs. Conway and Syphus,
who were detained by the flood.

Feed in the mountains is said to be better
now than at any time for ten years past.
But for the rains of the past month, it is be-
lieved nearly all the cattle hereabouts
would have perished this winter.

The Silver party Central Committee, at
its meeting called for last evening, to discuss
the desire for holding a county convention
of that party, adjourned without action to
the 10th inst. In the meantime the reasons
for not calling a convention grow stronger.
The numerous aspirants for office render the
convention a method which would surely re-
sult in many soreheads if nothing more.

Both departments of the public schools
opened on Monday. W. D. Frewitt has a
good attendance in the grammar department,
and from a previous knowledge of the stand-
ing of the various children, is expected to
advance rapidly during the term. In the
primary department the attendance is
smaller than at previous terms, but that
fact will result in greater improvement in
the little ones as there will be fewer classes,
and the teacher will be able to give more
time to each. Miss Louise Evans of Reno,
is in charge of this department.

Commissioner's Proceedings.

The meeting of the Board of Commissioners
was adjourned from Monday until Tues-
day, owing to the want of quorum.

On Tuesday the Board met, members
Cook and Syphus being present; but nothing
beyond routine business came up for atten-
tion. Reports were approved, and the
usual list of claims allowed as printed here-
in and to meet a portion of which, the sum
of \$425.00 was ordered transferred from the
General to the Salary Fund.

Election supplies and material were pro-
vided for and the next meeting, October,
will witness the appointment of Inspectors
and Clerks of the various precincts through-
out the county.

The Board adjourned to meet on the 24th
inst. as a Board of Equalization, when the
Assessment roll for the current year will be
passed upon, and where and when com-
plaints of every nature with reference to the
roll may be made.

The announcement of V. G. Redmayne
appears this week as an aspirant for the
office of County Recorder and Auditor. The
gentleman places himself before the voters
of the county and will be nominated by pe-
tition, which is already being circulated.
Mr. Redmayne is a young man who has
lived for over 12 years in this State, having
come to this quarter from Battle Mountain,
a little over a year ago. During his sojourn
here he has spent his time principally at
DeLamar and at Pioche, being now em-
ployed at the Advance mine at Chief
district. He proposes to cultivate an in-
imate acquaintance with the voters between
this and election day, and let them see who
and what he is, and that he is capable of
filling the office.

Government Timber Suit.

Deputy U. S. Marshal, Ferguson, of Reno,
served papers on John Roeder and Charles
Lytle last Saturday in a suit by the United
States against Roeder and Lytle, to recover
\$11,000 for timber alleged to have been cut
unlawfully from Government land.

The papers were issued from the United
States Circuit Court at Carson, but contain
no details. It is surmised, however, that
the suit is based on timber cut in the vicinity
of Clover Valley, six years ago, and sold by
Roeder and Lytle to the railroad contractors
and used principally in timbering up the
tunnels in the Clover Wash canyon.

In all cases of this character the govern-
ment reserves the right to proceed against
any or all the parties concerned, whether
the original trespassers, middlemen, or final
purchasers. In this instance the suiters
are called upon to answer for the whole,
though there is no reason apparent why the
railroad contractors, Kilpatrick, Brown
& Collins, should not also be sued.

This suit shows that the Government is
not asleep to even the doings of this remote
section, but is ready to make a case when-
ever sufficient proof can be secured, and
the great expense and trouble which such
suits involve and create, no doubt tends to
render easier, the consciences of those who,
at considerable trouble and expense took
out timber permits lately.

For Recorder and Auditor.

H. W. Turner, asks the nomination for
Recorder and Auditor at the hands of the
County Democratic Fusion Convention, and
announces that fact in this issue of the
RECORD. Mr. Turner, though among the
latest, is not at all among the least of the
candidates announced for the office and he
is so well known that nothing from us in the
way of introduction need be said. He has
already filled the office two terms, from
1890 to '94, and is thoroughly familiar with
its duties, and is personally acquainted
with a very large majority of the voters of
the county. He will make a hard run for
the office if nominated.

Notice.

J. Eisenmann desires to inform the public
that he has still on hand quite a number of
useful articles in the hardware and house-
furnishing lines, which he will dispose of in
the next thirty days at prices to suit the
purchaser. Come and examine the remnants
of the stock, you will surely find something
you need, which you can buy for half its
value. Those who are indebted to me will
please come forward at once and settle,
either by cash or note.

J. EISENMANN.

Populist State Convention.

The Populist State Convention was held
at Reno on the 5th inst. The "middle of
the road" men controlled entirely and re-
fused to state with the other political parties
of the State favoring free coinage.

Eight counties in the State were repre-
sented by thirty delegates. The following
are the nominations which were made.
For Presidential electors—Geo. E. Peck-
ham of Washoe, Chas. Steele of Storey, and
H. C. Danberg of Douglas. J. C. Doughty
was named for Congress, B. F. Currier was
nominated for Supreme Judge; Rev. T.
Magill for Regent for long term. The nom-
inations for Regent for short term and Lieu-
tenant Governor was passed.

Wanted at Once.

sive control and no risk. Will clear 12 to
25 hundred dollars a year. Exclusive state

FROM DELAMAR.

So far the five gold bugs of DeLamar have
not had the nerve to form a club.

Local politics are red hot and the candi-
dates are as numerous as Bryan supporters.
The weather is perfect, occasional show-
ers are a boon that DeLamar has not en-
joyed for years.

The DeLamar Co's pay day has made
things quite lively; several harmless scraps
have occurred but our efficient officers have
kept things level.

Friends will meet about every two years,
and that is prior to election, especially
those that have the love of their country at
heart and want office.

The DeLamar mill is beating all records.
The number of tons crushed daily by the
Griffin process is nearing 400 tons; it proves
that the mine is a wonder.

We expect visits from the numerous
candidates for county offices; we are all
hungry for enlightenment. Come on gentle-
men, and tell us how to be saved.

Geo. Petty's Jockaway saloon has caught
the town. Singing and music every night
and sports games of all kinds to suit the
taste of all devotees of the green cloth.

It is reported the famous April Fool mine
is looking better daily, and that the com-
pany are preparing to add ten more stamps to
the mill battery. The more the merrier.

The Purity of Elections law is making the
saloon men warm.

The fair sex are in the swim; they have
formed an Equal Suffrage club, and propose
to use every effort to get a bill through at
the coming session of the State Assembly
and Senate to obtain equal rights with the
sterner sex.

The DeLamar Co's water office in town
was raided on the eve of the 9th inst., and
forty-five dollars in silver was taken. The
parties perpetrating the theft were well in-
formed of the situation. Friend Spear says
that he will not be found napping again.

The primaries for delegates to the Demo-
cratic convention, to be held in Pioche
September 19th, will be held in DeLamar
on September 10th. It is hoped that har-
mony will prevail and that the delegates
will have but one object in view; viz:
Honest men for county offices and all true
for silver.

Owing to the number of candidates in the
field for county and local offices it is setting
the people to guessing. On thing is certain,
that party lines will cut no figure in the
coming election, but that the man that wins
will do so on his personal popularity, pro-
viding he is a staunch advocate of silver, and
no other need apply.
